Optional day Specialty Topics for Hospice Professionals

Compliance and high quality patient care go hand-in-hand. Attendees of the optional day, *Specialty Topics for Hospice Professionals*, will:

- delve into QAPI and HQRP data to identify opportunities for improvement;
- learn about PEPPER and use it to identify vulnerabilities; and,
- explore LCD guidelines and assessment tools to improve documentation of patient eligibility.

The afternoon includes an intense focus on responding to clinical record requests to mitigate further risk and improve chances for payment.

Specialty Topics for Hospice Professionals is open to Boot Camp registrants including those who have attended a Weatherbee Boot Camp in the previous 12 months.
