REGISTER now! Regulatory education, case examples, and tools and best practices to help your team improve systems and processes. The additional 3rd day "Striving for Documentation Success" offers an in-depth look at the LCDs, assessment tools, comparative data, PEPPER, TPE and more.

COMPLIANCE These education activities have been submitted to the Compliance Certification Board (CCB)® and are currently pending their review for approval of CCB CEUs. Continuing Education Units are awarded based on individual attendance records. Granting of prior approval in no way constitutes endorsement by CCB of this program content or of the program sponsor.

The Hospice Regulatory Boot Camp meets the criteria for completion of Regulatory & Compliance Issues, a Level II Module of NHPCO's Manager Development Program (MDP).

CME - Application for CME credit has been filed with the American Academy of Family Physicians. Deterination of credit is pending.

NURSING CEs provided by Relias, LLC - Relias, LLC is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Nurses will receive approximately 10 contact hours for participation in the 2-day Boot Camp activities and approximately 5 contact hours for participation in the Striving for Documentation Success activity.

Criteria for Judging Successful Completion: Participants will only receive contact hours if they attend the webinar in its entirety. Partial credit will not be given. Once the activity is over, the participant will be required to complete an evaluation survey online. Once the participant completes the webinar evaluation, a certificate will automatically generate for the participant to print.
