

## CLINICAL DOCUMENTATION SYSTEM FOR HOSPICE

The forms included in Weatherbee's Clinical Documentation System for Hospice:

- Meet the requirements of the new Medicare CoPs
- Reduce the redundancy found in most hospice clinical documentation systems
- Include quality outcome measures needed for the hospice's QAPI program

*The Clinical Documentation System for Hospice* represents not only tools to use, but a process designed to improve patient care planning and the quality of care provided.

### Order Online at <http://weatherbeeresources.com/products/forms/>

- Go to <http://weatherbeeresources.com/products/forms/> and create a customer login by clicking on the New Customer link or enter your Existing Customer Login.
- Click on Edit My Details and enter billing and delivery information including phone number and email address. Click on Save Details at bottom when finished. Once this information is entered, you do not have to re-enter for each order.
- Click on Open Print Catalog tab and then select Hospice Forms.
- Either search for the clinical form by CLnumber (no spaces or periods) in the search field and select Go or click on the appropriate NCR copies you need and the forms available in that NCR quantity are then displayed.
- You can personalize forms to your hospice with name, address, phone and/or website. A logo can also be added (black and white only – see guidelines on website).
- Enter the quantity ordered (all forms are sold in packs of 100).
- Click on Add to Basket.
- Pricing information and shipping options are displayed. FedEx Ground is the standard shipping method (2-5 business days within continental US). However, you can get pricing for express service by using the drop down menu next to Shipping.
- Click on Continue Order to proceed to the payment section.
- Verify billing and delivery address and contact information.
- Check the Click here to agree to our Terms and Conditions.
- Click on Pay online with Link Point
- Fill in the required fields as appropriate and click on Continue.
- You can print a receipt/invoice and a copy of the invoice will be emailed to the contact.
